RESIDENT SECURITY NOTICE AND ACKNOWLEDGMENT

NOTICE TO RESIDENT: The Management of this community (including the owner and owner's authorized property manager) does not promise, warrant, or guarantee the safety or security of resident's personal property against the criminal actions of other residents or third parties. Each resident has the responsibility to protect him or herself and to maintain appropriate insurance to protect his or her belongings. Residents should contact an insurance agent to arrange appropriate fire and theft insurance on their property.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, residents should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Management does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Management reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Management.

If controlled access gates or intrusion alarms are provided, Resident will be furnished written operating instructions and it is Resident's responsibility to read them and to bring any questions to the attention of Management. Further, Resident agrees to promptly notify Management in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's apartment is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with above notice. I have received no representations or warranties, either expressed or implied, as to any security or any security system on the property, or guaranteed that the apartment community was or will be free from crime. I further acknowledge that Management is not obligated under any circumstance to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, my family, guests and invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Management from claims arising out of criminal acts of other residents and third parties. I agree that Management shall not be liable to me based upon any claims that security was not provided, subject to Management's compliance with state statutes

regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

This document contains the entire agreement with respect to its subject matter. Management representatives have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

Welcome to Green Cay Village!

Attached is a current copy of the rules and regulations for residents living in the condominiums and town homes.

We manage to very high standards. Our rules and regulations are setup to provide a peaceful and safe environment for all of our residents. And we enforce these rules unflinchingly so that the actions of a few do not determine how the rest of us will live.

Please take a moment to familiarize yourself with these rules so that your settling in process will be as easy as possible.

And in particular, please pay attention to the following items that seem to cause the most problems for new residents.

1. Smoking is prohibited in the breezeways, hallways, and stairwells of the condominium buildings.
2. No items may be left unattended in the hallways other than a doormat.
3. You are responsible for picking up after your pets each and every time.

Thank you,

The Green Cay Village Owners Association
